ALL ENTRIES must have an entry RECORD logged in the ACES contest system.

ELIGIBILITY

Newspapers entering the 2020 contests must be in good standing and must be current on their dues. All entries must have been published in an ANA member newspaper or news website.

CIRCULATION DIVISIONS:

Non-Daily Newspapers

- Div. 1 - Circulation More than 10,000
- Div. 2 - Circulation on 3,500 to 10,000
- Div. 3 - Circulation Less than 3,500

Daily Newspapers

- Div. 4 - Circulation More than 25,000
- Div. 5 - Circulation Less than 25,000

CLEARLY INDICATE WHAT IS PART OF THE ENTRY

When you enter online, please give the title or an identifying name of the piece so the judges can easily find it on the tearsheet you uploaded.

HOW TO MAKE PDF FILES SMALLER

1. Change the resolution to 72 dpi. This can reduce your file size up to 75%. This seldom affects the quality of the file, as most entries will be viewed online.
2. Color mode. Converting your file from CMYK to RGB will reduce the file size.

WHAT PDF FILES DO I SUBMIT?

1. Only submit the pages that contain entry related content. For example, if your story jumps from page 1 to page 4, only submit tearsheets for page 1 and page 4. We don't need pages 2 and 3.
2. Make PDF files as small as possible.

WHAT IS THE MOST EFFICIENT WAY TO COLLECT ENTRY FILES?

Collect all PDF files that contain entry-related pages. Extract the page(s) you need, giving each file a clear and descriptive name. If your entry contains multiple pages, combine those into one PDF. Once you've created all your entry-PDFs, redistill each file to reduce it to the smallest practical size.

PLACES WON AND JUDGES' DECISIONS

The rulings of the judges are final. Judges reserve the right NOT to make an award in divisions, categories and places. Judges will not award Honorable Mentions.

You will be notified by July 31, 2020 if you have won an award.

This year the judges are your peers from the newspapers of the New Mexico Press Association.

Instructions for using the online contest system, ACES, for BNC and Excellence in Advertising Entries

Contest rules can be viewed and downloaded at:
www.newspapercontest.com/contests/ArizonaNewspapersAssociation.aspx

SPECIAL ATTENTION! NO MORE Mail- in Entries

The ACES contest system can accept entry files up to 100MB. Entries larger than 100MB should be uploaded to Google Drive, Drop Box, issuu.com, etc., or your own hosting site, **BUT, the URL must remain active and accessible until September 30.**

ALL ENTRIES must have an entry RECORD logged in the ACES contest system.

HOW DO I CREATE AN ACCOUNT?

Previous accounts and passwords are no longer valid.

- ANA's Association code was emailed to all publishers, editors and ad managers. The code is case sensitive. If you have misplaced or lost the code, call Julie O'Keefe, (602) 261-7655, xt. 110.

Step 1 — Use the link at top of this page to go to ANA's contest home page.

- Select the "Register" tab.
- Create your login profile and password.

You will then receive a confirmation email, which you need to complete the registration/login.

After confirming the account you will be taken to the "Entries" page.

HOW DO I UPLOAD PDF FILES?

Step 2 — Click on the "Add New Entry" link.

Step 3 — Select your newspaper name. A lot of information will auto-fill. If that information is incorrect, please call Julie O'Keefe at (602) 261-7655, x 110.

Your Division will auto-fill for you based on your circulation.

Fill in the preparer's name.

Step 4 — Select the contest category. These are drop-down menus for your

convenience. This field will clear each time you save an entry, so you must select a category for each new entry. When you select the category, special instructions will appear below it.

Step 5 — If necessary, or required, provide an explanation of your entry. The explanation/cutline box is limited to 3,000 characters. It's a good idea to write your explanation in another program, such as Word, and copy/paste into the explanation box. If a URL is required, fill in the URL box; there is no need to type "http://."

Step 6 — Include the name of the entry. If uploading full-page PDF files, it will be helpful if the entry name matches the headline on the page so the judges can find it easily. If the judges cannot tell what is to be judged, the entry will be discarded without refund.

Step 7 — Include the name of the person or people who should be credited for any award. For BNC Categories 1 - 9, enter the publisher's name. For BNC Categories 10-29 and all Advertising categories this is generally the writer, reporter, photographer, graphic artist, cartoonist, etc. It is not necessarily the name of the person submitting the entry nor the person picking up the award at the convention.

Step 8 — Add your file(s). You can drag and drop files or use the "Add files" button to navigate your files. Generally, files should be in PDF format except photos, which should be in JPG format. Other files and URLs may be acceptable as noted in the special instructions. Upload as many files as are necessary to complete your entry but refer to the special instructions for any limitations.

Step 9 — When you have completed

your submission, click the "Save" button. If you click the "Back to list" button, before you Save, you will lose the entry you just completed. After clicking "Save," you will be automatically directed back to the list of your entries.

Step 10 — To submit another entry, click "Add New Entry." As long as you have not logged out of the system, your newspaper name will still be in place and you can simply start at Step 6 again. You may log out and log back in later to continue adding entries. You will need to select your newspaper name each time you log in.

Step 11 — When you are done submitting entries, please review the list carefully. Make sure you have YOUR newspaper's name selected, and not mistakenly a different paper's name. You may not change an entry, but you may delete an entry and resubmit it.

HOW DO I LOGIN AFTER LOGGING OUT?

After you have created an account you may log in at any time by using the link at top of this page.

HOW DO I KNOW WHAT I'VE ALREADY UPLOADED?

Each time you start at login, you will be taken to the "Entries" page, there you will see a list of your entries.

HOW DO I MAKE CHANGES?

Entries cannot be changed/modified once they are saved. However, there is a "Delete Selected" button on the "Entries" page. If you need to make changes/modify an entry - you will have to delete and resubmit it.

HOW DO YOU WIN NEWSPAPER OF THE YEAR?

YOU HAVE TO ENTER BOTH CONTESTS

Newspaper of the Year is determined by total points earned in the Excellence in Advertising and Better Newspapers Contests, you have to enter BOTH contests to be eligible to win. The more Newspaper categories you enter the better your chances.

THE POINT SYSTEM

Winning entries earn points in both the Better Newspapers Contest (BNC) and Excellence in Advertising Contest, so publishers should make sure the respective department heads enter both contests. For equity between the contests, there are eight categories in both contests that count toward total points for Newspaper of the Year.

ONE DAILY WINNER AND ONE NON-DAILY WINNER

Two newspapers will be named "Newspaper of the Year". One daily newspaper and one non-daily newspaper, based on total points earned.

POINTS ARE AWARDED ACCORDINGLY:

First Place, 20 points;
Second Place, 15 points;
Third Place, 10 points.

IN CASE OF TIES

A tie-break system was developed in 2005. If there is a tie in one of the divisions, the newspaper with the most First Place points wins. If a tie remains, then Second Place points take precedence, and, if needed, then Third Place points.

BNC - NEWSPAPER Categories 1-8
