

## 2021 Freedom of Information Award

It is time again to consider nominating someone you know to the Arizona Freedom of Information Award. This honor will be given to those who have made a significant contribution to First Amendment and Freedom of Information issues. The awards are co-sponsored by the Arizona Newspapers Association, Society of Professional Journalists and the Arizona Associated Press Media Editors.

These documents provide you with the details on the attributes the nominee should possess, as well as a nomination form.

The nominations are reviewed by a committee of association directors and members, then confirmed by the full board of directors. If you would like to be a member of that committee, please let me know.

Please return your nominations to ANA no later than Friday, **AUGUST 17, 2021.**

Mark your calendar for the Awards Reception:
